Aqui postaremos todos los albums de este gran sello del país de la lluvia. Para comenzar aqui abajo tienes una buena info de este sello y discoteca.

Biografía Ministry of Sound

Ministry of Sound (MoS) es uno de los clubes nocturnos más famosos del mundo de la música electrónica, y este es a Londres como Studio 54 fue a Nueva York, y su fama va mucho más allá de las fronteras inglesas. Ubicado en Elephant and Castle, Southwark, South London, y abierto oficialmente en 1992 después de semanas de fiestas 'secretas', el Ministry se había dado a conocer a través del boca a boca. Ministry of Sound fue una de las piezas clave en el desarrollo de la música house y de los superclubes a comienzo de los años 90. En sus inicios se distanció de otros clubes nocturnos de Londres con sus ubicación separada de los barrios nocturnos, un bar sin alcohol y un excelente sistema de sonido; todo esto diseñado para atraer a los amantes de la música. Los DJ tocan en vivo todos los sábados y domingos. El MoS contiene dos espaciosa pistas de baile, como también una sala de PlayStation y un Absolut chill bar.

Ministry of Sound fue fundado por Jamie Palumbo, Humphrey Waterhouse y el DJ Justin Berkman. Todavía es mayoritariamente controlado por Jamie Palumbo, hijo del Lord Peter Palumbo. Desde su apertura, el MoS, como marca, se ha extendido a una gran cantidad de áreas. Las ganancias pusieron a Palumbo en la lista del Sunday Times de las personas más ricas del 2004, con un precio estimado de £136m.

Existió también MoS Bangkok, fue el primero que se abrió fuera del Reino Unido, pero actualmente está cerrado. Hay proyectos para abrir nuevos MoS en Moscú y Nueva Delhi, así como a orillas de Mar Rojo.

Ministry of Sound - Sessions Five

http://www.skullz-group.org/images/fbfiles/images/Ministry_of_Sound___Sessions_Five.jpg

Mixed by the unstoppable platinum selling dance act The Potbelleez alongside Ministry's own Goodwill, Sessions Five is set to excite the ears of a nation! And it's not just your ears that are going to be treated – get your feet prepped for a bit of fancy footwork on the d-floor as we bring Sessions to a club near you with one of our largest Sessions tours to date.

Set over 2 blisteringly hot CD's, Sessions Five delivers the perfect dose of current club smash hits along with a swag of audible goodies that are well on their way to becoming club phenomena. Featuring over 40 tracks, Sessions Five has an armoury of secret weapons up its sleeve which are set to unleash on stereos the nation over!

Just a few of these audio bombs include first usage on the highly anticipated follow up singles from Top 10 artists The Potbelleez, Alex Gaudino and TV Rock. Add to this the hottest club tracks of the moment from the likes of PNAU with their hit "Baby", The Presets "This Boy's In Love", Utah Saints "Something Good '08", Sam Sparro "Black And Gold", and club smashes from Eric Prydz, Freemasons and The Aston Shuffle and you've got yourself one killer album!

It's been a massive 12 months for Sydney via Ireland locals The Potbelleez, whose rise to fame has been remarkable, thanks in large part to their recent smash hit single "Don't Hold Back." The track has become one of the most played Australian songs on radio this year, and has recently attained Platinum status. Amidst a hectic touring schedule the band has managed to put away a stellar follow up single "Are You With Me" which is set to debut on Sessions Five.

Goodwill continues his reign as one of the busiest bees in the industry, seamlessly juggling his DJing, production and radio hosting gigs. If that all wasn't enough Will now adds another feather to his cap as he hosts Ministry of Sound's weekly mobile TV show.

ALFREDO & PAUL WOOLFORD - We Love Space Sundays 08

Publicado por admin - 05-07-2008 06:40:43

<http://picture.ru/uploads/080701/5p1no4zisS.jpg>

16 June 2008

In July 2007, 'We Love...' will release the second in their compilation series 'We Love Space Sundays, 08' this time mixed by Balearic Ibiza legend Alfredo and one of the UK's most in demand electronic selectors, Paul Woolford.

We Love: "Alfredo has been a hero of ours - the Northern We Love... massive - since time immemorial, or at least since we first heard of his sets at Amnesia in the mid 80's. It has been a great pleasure of ours to finally get him on board as resident and a dream come true to have him represent for us on our second cd outing....A true Balearic original. Paul Woolford has made some of the finest electronic dancefloor tracks of the past few years in our eyes, and is, we feel, very representative of the new Balearic sound of Ibiza; pulsing tech infused house music, all night long."

Alfredo, born in Argentina, lived in his Native town of Rosario until 23. In 1976, he immigrated to Spain and a few months

later, arrived to the island that would shape the rest of his life – Ibiza. In 1982, after his son was born and he tried various job roles including that of a fashion designer and a candle maker, he decided to become a DJ. His first main set came at Amnesia, which went on to become a residency and one of the most infamous collaborations Ibiza has seen... Anyone who went to Ibiza in the late 80s will always remember an Alfredo set and the experience it invoked; carefree fun in the sun; glasses on, dancing in the sunny open air terrace listening to anything from salsa to rock and roll, Bob Marley as Luccio, Madonna or Tears for Fears... And dancing next to Grace Jones, George Michael or Boy George, perhaps.

By the end of the 80s, Alfredo began playing outside of Ibiza, including Europe, Singapore, Japan, South America and more. It was also around this time that the first strains of Chicago and Detroit House were filtering through to be combined with the newest German techno from the likes of Kraftwerk and Nitzer Ebbe. By 1988, the crowd had converted into a multitude and Alfredo was hailed as a phenomenon amongst music lovers and club goers around the world. In 1990, Alfredo moved to Pacha, bringing a modern, fresh touch to the club for three years. In 1994, Alfredo moved to Manumission, where he still regularly plays today. Into 2008, and after he has played regularly for We Love the past four years, he is not only a weekly resident – playing a mixture of the Sunset Terraza and El Salon sets every week this coming summer, but he is also mixing We Love's second compilation, alongside Paul Woolford.

Paul Woolford has established himself as one of the most original DJ/producer/remixers that house music has exposed in recent times. Paul's first visit to Dave Beer's infamous Back To Basics sealed his fate in many ways, being as it was the place where he heard so many of the records in his own collection in the full club context, which felt to Paul like jigsaw pieces falling into place. "I remember clearly the first time I walked in, I think I was only 17; the only way to describe it was bedlam. And the overriding thought was 'I've got to play in here one day'". After spending his youth collecting equipment and teaching himself how to produce, initial releases were made, but the real breakthrough came with the Bobby Peru project for 20/20 Vision, and in February 2000, the release of the LP 'Death Of A Player'. This put Paul firmly on the map with both the dance music media and with a far wider range of DJs, simultaneously provoking a huge amount of label interest and remix work. 2005 was a turning point in Paul's already enviable career. He embarked on his residency for We Love... Sundays at Space in Ibiza, produced key remixes for Underworld, Freeform Five & DK7 for Trevor Jackson's Output label, recorded a modern day classic in the form of 'Erotic Discourse' and saw his global DJing schedule rocket; extensive touring of America, Australia and Europe became the norm and Paul's residency at We Love... became weekly in 2006 which further pushed things forward.

2007 bought the completion of the second Bobby Peru album 'The Truth' for 20/20 Vision, the launch of his label Intimacy, for more experimental releases (with graphic design by Trevor Jackson), and alongside grueling touring and key gigs at the Exit Festival, Renaissance' Wild In The Country festival, Sub Club in Glasgow and Panorama in Berlin as well, as his second year as resident at We Love.

And into 2008, Paul Woolford is again weekly resident for We Love and is mixing We Love's second compilation release, alongside the legend that is Alfredo.

'We Love Space Sundays, 08' mixed by Alfredo and Paul Woolford is released July on Ministry of Sound.

Alfredo will play every Sunday from June 15th – September 23rd.

Paul Woolford will play every Sunday from June 15th – September 23rd.

VA - Housexy - Ibiza (Mixed By Richard Murray)

<http://i33.tinypic.com/2ylpero.jpg>

Events all over the world are one of the great things about Housexy, travelling the planet bringing our own brand of sassy, sexy, funk with a twist to the most discerning dancefloors but until now the spiritual home of House Music – Ibiza, has evaded us.

However over 200 worldwide events last year and already 120 in 2008 has led to an Ibizan Residency at Club Eden. With 16 events every Thursday in the funky room alongside Twice as Nice this summer one of the Housexy residents will be dropping their own brand of funk filled sassy grooves to a dancefloor full of the best dressed (but naked of inhibitions!) party goers on the planet. This album mixed by Housexy's main resident Richard Murray, is a fine, sassy, slice of what to expect this summer in Ibiza with tracks and new classics from Roger Sanchez, Deadmau5, De'Lacy, Seamus Haji, Mac Project and more, it sums up everything Housexy is about in summer 08.

Released on 27th October 2008 by Ministry of Sound, The Annual is back, bringing together all of the freshest and most influential beats and mixes of the year, all on 2 explosive CDs.

The Annual 2009 is a breakdown of the most seminal tracks of 2008 and as a result reads like a who's who of the dance scene – from dance legends Eric Prydz (Pjanoo) and Fedde le Grand to the chart topping Dizzee Rascal feat. Calvin Harris (Dance With Me), Basshunter (Angel In The Night), The Ting Tings (That's Not My Name) and Wiley (Wearing My Rolex).

The Annual 2009 also features recent releases from Sash ft. Stunt and Christian Falk ft. Robyn who's tracks are guaranteed to get you on the dance floor this autumn. And with the likes of No Halo, Platnum and Lasgo thrown in for good measure this album should take pride of place in any self-respecting dance fans record collection.
